Thank you for Choosing POP Cheer Factory as your premier all-star cheerleading program. We are excited to be entering our 10th season. Our program has accumulated Grand Champs, High Point winner, Best Choreography, US Finals bids, D2 Summit Bids and these are just a few. We know this season we will continue to be successful. We strive to create competitive athletes that are not only superb on the competition floor but also upstanding individuals in everyday life. We create leaders and build self-confidence in every single athlete.

Hard work, perseverance, positive reinforcement and the dedicated families involved with our gym make PCF a truly unique place to enjoy the sport of cheerleading.

Our Mission

Building self- discipline, team bonding and everlasting friendships. We pride ourselves on setting high standards for our athletes, coaches and parents. We strive to instill good ethical standards and academic achievements. It's very important for us to promote a **"FAMILY"** atmosphere that we all are proud of and feel safe in.

Thank you for your interest in POP Cheer Factory, we hope to add your athlete to the PCF competitive cheer Family.

We understand that as a parent or participant you may not agree with every decision that our staff makes. We assure you that the decisions are carefully thought out and a great amount of time has gone in the process, which leads us to our decisions. All decisions and changes regarding teams & routines are left solely to the discretion of the coaching staff. You may not agree with every decision made here, but you have chosen to be a part of this competitive cheer program.

All-star competitive cheerleading requires a financial commitment, and it is very important you read and understand all obligations. PCF wants to do our best to make this as affordable as possible.

****Summer Practices are a great time to work on individual skills. Please immediately communicate all vacation dates with your child's coach directly. Practices become MANDATORY after choreography.**

Practices

Tuition pays for training. It does not pay for the right to perform. Please be clear that each member earns the right to perform through preparedness as a team member. PCF implements closed practices. We do this because it is a distraction for athletes. Some athletes cannot focus properly and it becomes a safety issue.

- Practices are open for viewing the last 15 minutes of practice.
- We will occasionally schedule Parent View nights for you to see their progress.
- If you feel your athlete is struggling and feel it would be best for you to view them during a practice those are always exceptions we can make.
- Attendance is extremely important. If your child has a school function or conflicting activity we need to know with ample notice. If your child misses consistently their position will be jeopardized.
 - Practices the week of competitions are **MANDATORY**.
 - Absolutely no parents allowed on the floor for any reason.
- Proper practice attire is required at all practices. A practice wear calendar is posted online.
- Cell phones need to be placed in the bags. No cell phone use will be prohibited during practice time.
 - In the event an injury occurs please notify staff immediately.

****Inclement Weather Policy:**

If Monett Schools are closed, we will also be closed. We will communicate via FB Team pages for any changes. There are times it is necessary to practice like week of competition but we will always make the best/safest choices for our families.

Private Lessons

Private lessons are an excellent opportunity for athletes to grow and excel their skills. While we value the result, they provide they must be conducted in the following way:

- All privates are paid at the time of service or on a prepay basis
 - All payments are made directly to PCF
 - There is a maximum of 2 kids per lesson
- We must know immediately if you are unable to attend your slot so we can fill it that day. If not, you will still be charged for your slot.
 - If you do not attend without notice you will still be charged.
- If you have an outstanding balance, you will not be allowed to have a slot.

It is against all PCF policies to tumble/take extra classes at another facility once placed on any PCF Competitive Cheer team.

Tardiness/Absences

Excessive tardiness or absences are both harmful and disruptive to the team and very discouraging for coaches and athletes on the team. Every person is vital to the success of the team. If an athlete is consistently tardy or absent without proper notice, proper actions will be taken for the best intentions of the team. If you are running late, please let a coach know Immediately.

- If your child is not contagious, they still need to sit during practice as we do make changes that everyone needs to be aware of.
 - If your child has a fever, or throwing up they need to stay home!
- If a DR. Recommends an athlete miss practice a note from Dr is required and a release date is a must!
- Practices the week of Competition are MANDATORY. You risk losing your spot for the weekend.

Social Media

No team performance videos can be posted on any social media sites until approval from coach has been given. Usually towards the end of the season is when we ok videos to be posted. We do have area gyms that compete in our division so we want to keep our routines private.

Fundraising

PCF Fundraising will be ran by booster, a president will be appointed and team moms per team will communicate all fundraising. PCF does not have any part of fundraising other than keeping funds in accounts. I will ok all fundraising opportunities, otherwise I have no hand in fundraising, I will not organize any fundraisers. They will offer fundraising opportunities throughout the season. You can choose to be a part of fundraising or not, it's optional.
